PET HEALTH CLUB

## Here's what's included in your Club:

Our Pet Health Club has been specifically designed to provide essential routine veterinary care that your pet will require throughout the year. As well as comprehensive pet care it allows you to budget in convenient and affordable monthly payments, all at substantial discounts.

### Your monthly Pet Health Club payment includes:

- Twice Yearly Health Assessment
- Annual Vaccination  
**for Dogs\*:** Distemper, Parvovirus, Hepatitis, Leptospirosis and Parainfluenza Virus

**for Cats\*:** Feline Enteritis, 'Feline Flu and Leukaemia

**for Rabbits:** Myxomatosis and Viral Haemorrhagic Disease

- All year round worming for roundworm and tapeworm
- All year round flea control

**... all at substantial discounts**

\* On an alternating basis

\* In-practice blood & urine tests only

### In addition we offer:

Discount off the cost of other preventative healthcare services including:

- Initial consultations
- Neutering
- Microchips
- Dental descale and polish
- Additional vaccinations
- Additional wormers
- Additional flea treatment
- Lifestyle diets
- Senior Blood Test\*

### As well as FREE....

- Additional nurse health assessment clinics
- Regular weight assessments
- Behaviour advice
- Health programme planning
- Nutritional advice

**Don't forget to bring your Bank Details**

## How do I register?

The answer is "It's easy!"

Simply call in at the practice and complete a simple registration form. This will require details of your bank account to set up the direct debit so do not forget to bring these details with you.

Practice staff will be happy to deal with any queries you may have.
